Maths Design a gas mask box; you will need to make a net for a cube or cuboid and construct it from paper or card. Is there more than one net that can be made into a cube or cuboid? Does it need a handle?	**Local History Research** Research how WW2 affected people who lived in Tonbridge. You could visit the war memorial, interview someone who lived through the war, look on the internet for old photos of the High Street – are any shops the same or research a soldier who fought. Present your findings in an interesting way.	**Maths** Write your name using Morse code. Use Morse code to make up a message. Design your own code suitable for sending a secret message to a spy behind enemy lines. Write the message but don't forget to include the answers.
Draw and write Draw and explain what 6 things you would want to take with you if you were evacuated. Why would you choose these items? Why are they special? What would you leave behind?	# World War II **Choose 6 activities to complete this term.**	**Research and Make** During WW2 lots of food items were rationed and people had to plan their meals very carefully to keep the costs low. Plan and make a main meal for your family that costs less than £1 per head. Photograph the meal and write out the recipe. Write a review of the meal!
Write Write a story based in WW2. You could write from the point of view of a soldier of as a child left back at home. You can make up your own story or base your story on one you have read or watched on TV. Remember your basic punctuation skills and try to start your sentences in a range of interesting ways.	**Every week you must also:** • **Read your reading book.** • **Practise your times tables – join in the TTRS battles.** • **Practise your spellings using Spelling shed.**	**Puzzles** Make your own WW2 puzzle book. It must include at least 3 different types of puzzles, for example a word search of key topic words, a crossword, a spot the difference, a quiz, a maths puzzle using imperial measures. Your booklet must include the answers.
Research and Write Research and create a fact file on key events e.g. Battle of Britain, the Blitz, VE day or D-Day. You can focus on one key event or choose 2 or 3. Include facts and pictures.	**Design or Computing** Make a model 3D scene from the war. This can be done using Minecraft or other computer programs or can be made from cardboard and other waste items found at home.	**Impress me!** Compare and contrast fashions of Wartime Britain and Britain today. Find out about the meaning of 'make do and mend'. Based on your findings design and make a war time outfit for yourself or a toy.
